

# TEAM FUGAWI ?

## SAFETY CAR

Team Fugawi? is a group of dedicated former stage rally competitors, and communications personnel who bring their experience and expertise to Stage Rallies in the Northwest to allow safe events for absolutely everyone

**Team Fugawi? Safety Car** team typically operates a 3 car team -- 000, 00, and 0 cars which traverse down the stage route making sure Staff, Spectator, and Competitor safety are all well intact. They work closely with Sweep & EMT's, Event Organizers, and Operations in Event Safety Management. They assist with timing controls to make sure all controls are ready for their roles once the first competitor car comes through. **Team Fugawi?** is knowledgeable in NASA Rally Sport, Rally-America, A.R.A. and Canadian Rally Championship rules and regulations.
